

## Awards & Testimonials

Bethany Health Care Center has consistently been recognized by residents, their family members and the community for providing high-levels of compassionate care.

In addition, a wide range of other organizations have presented Bethany with awards and positive ratings based on overall quality, consistency and prudent managerial practices. Below are only a few...

**Boston Business Journal** honored "individuals and organizations that advance Greater Boston's world-class health organizations" at the Boston Harbor Hotel. Among those receiving the **2009 Champions in Health Care Award** was Sr. Jacquelyn McCarthy, CSJ, CEO and Administrator of Bethany Health Care Center. Sr. Jacquelyn received the Administrator Award which recognizes an individual who is changing the way health care organizations do business. Under Sr. Jacquelyn's leadership, Bethany has developed a Model of Care Program that has been distinguished for improving the quality of life for persons living in nursing homes and has significantly reduced the number of hospitalizations for Bethany's residents.
