LETTER FROM OUR CEO

Your generosity continues to amaze me!

I doubt any of us ever thought that we would still be dealing with the COVID-19 pandemic more than two years into it, yet here we are. Throughout it all **you stood by us** to guarantee that Bethany Health Care Center residents were not just surviving but thriving.

Bethany's Sisters and lay residents continue to live in a warm homelike environment being cared for like family – **because of you**. Your generosity allows us to hire and retain experienced and talented staff to deliver exceptional healthcare. You have helped to provide hundreds of hours of engaging activities and pastoral service to support our residents' minds, bodies, and spirits. And you ensure the continued improvement of the Bethany facility so that we maintain a comfortable, inviting, environmentally-conscious place for our residents to call home.

In 2021 almost 600 donors – including individuals, foundations, and businesses – made over 1,100 gifts to Bethany and had a **very real impact on the women we serve**. This meant the purchase of critically-needed medical equipment, the replacement of resident room furniture on our skilled nursing floors, and new recliners on

our Level IV floors. It also meant the addition of new physical therapy mat tables, and the purchase of a brand-new Bethany bus to take our residents to medical appointments and social activities. These are just a few of the ways that you have made a difference for Bethany residents this past year.

There is no denying that the pandemic has had a profound impact on older adults. Your investment in Bethany's residents continues to help us care for their physical, social, and emotional well-being during this global crisis. **Thank you.**

With my heartfelt gratitude,

A handwritten signature in blue ink that reads "Sister Jacquelyn McCarthy CSJ". The signature is fluid and cursive, with the "CSJ" part being more formal and distinct.

Sister Jacquelyn McCarthy, CSJ, RN
CEO/Administrator, Bethany Health Care Center

The mission of Bethany Health Care Center is to provide quality care for our residents in a manner which helps them to be connected with God, with other people, and with the world in which they live.

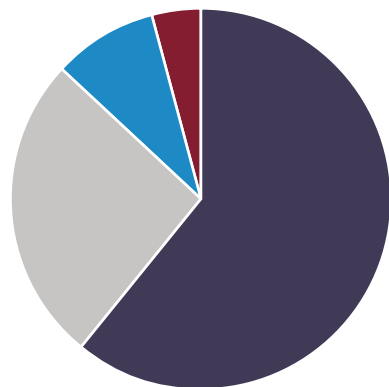

A Sponsored Ministry of the Sisters of St. Joseph of Boston, Bethany serves a community in need regardless of an individual's socioeconomic or religious affiliation.

SPECIAL GIFTS AND GRANTS

Agnes Lindsay Trust

With a grant from the Agnes Lindsay Trust, Bethany Health Care Center was able to purchase new High-Low Therapy Mat Tables to provide a safer treatment surface for physical therapy patients and caregivers.

“The new treatment tables are well-suited for the needs of Bethany’s outpatient clinic, and for both clinicians and our patients,” noted Physical Therapist Danielle Westerman. “For the clinician, the table offers full-height adjustment and section mobility so patients can be placed in the proper position for maximum results with minimum effort. Equally as important, for our patients it provides easy access getting on and off the table, with customized positioning adjustments for maximum patient comfort during treatments.”

Updated equipment is essential for Bethany’s Rehabilitation Department to continue delivering quality healthcare while utilizing evidence-based and best practice approaches.

This new state-of-the-art equipment will offer a safe and healing environment and further improve the physical and emotional wellbeing of Bethany’s residents.

Catholic Health Foundation

The Catholic Health Foundation awarded Bethany Health Care Center a generous grant that allowed us to purchase critically needed medical equipment. These resources assist residents with their recovery process and prevent negative outcomes during their return to good health.

According to Maureen Dulko, RN, Director of Nursing, “The Bethany staff was thrilled to receive the most current and high-quality treatment modalities available in this health care setting. Residents who underwent joint replacement procedures were able to maintain and improve their mobility. This allowed for their Physical Therapy sessions to be less painful and promoted a positive healing outcome in a shorter amount of time.

Nutritional crises were averted as a result of better monitoring equipment which allowed our Registered Dietician to confidently put nutritional interventions in place. The Enteral Feeding pump has assisted Nurses with time management and has allowed residents to enjoy a quiet peaceful environment without the need for nursing interruption in their lives. The Handheld Ultrasound machine has been used frequently by our clinicians and has directly affected intervention decisions. It has significantly reduced the need for outside diagnostics and trips to the ER.”

Cummings Foundation

Bethany is delighted to have received a \$100,000.00 Cummings Foundation grant to help replace its major kitchen appliances, which are more than twenty years old and past their useful lifespan. The walk-in refrigerators and freezers are being replaced with new high-efficiency equipment. The updated appliances will increase safety while reducing energy usage and cost, in line with Bethany's commitment to caring for the Earth.

"Meals are one of the most essential elements of a nursing home resident's day. Proper nutrition contributes substantially to overall health, and a pleasurable dining experience is known to enhance happiness, satisfaction, and well-being. Enjoying a meal in others' company is an important part of the human experience and increases a sense of comfort and community," said Sister Jacquelyn McCarthy, CSJ, RN, CEO/Administrator.

Charlotte E. Flatley Gift Fund and The Yawkey Foundation

Through generous grants from the Charlotte E. Flatley Gift Fund and the Yawkey Foundation, Bethany has purchased new furniture, including recliners, dressers, bedside nightstands, and wardrobes in resident rooms throughout the facility.

Jim Argir, Executive Director, shared, "Transitioning to a nursing home can be a difficult and emotional life event. Several factors affect a person's sense of 'home' in a long-term care environment. The comfort and personalization of one's bedroom are critical and profoundly impact the feeling of being 'at home' for elderly residents. Having well-functioning and aesthetically pleasing furniture forms the basis for a homelike atmosphere in the resident's bedroom. Bedside nightstands, desks, and dressers allow residents to display personal photos and mementos in addition to storing their favorite clothing and other personally meaningful items. Lockable drawers help

seniors maintain a sense of personal space and control over precious belongings that connect them with their life experiences and loved ones. Comfortable recliners provide a cozy place to relax and enjoy a favorite book or take a nap. We are tremendously grateful for the Flatley and Yawkey donations that made this furniture update possible."

We are tremendously grateful to these generous donors for their steadfast commitment to Bethany's residents.

A LEGACY OF LOVE - MARJORIE LOCKE NOONAN

Marjorie (Margie) Noonan had a deep love for, and connection with, the Sisters of St. Joseph of Boston. She grew up in Quincy as one of four sisters who all attended Fontbonne Academy. Margie entered the convent and became a member of the Congregation when she was eighteen years old, making lifelong friends among her fellow Sisters.

Over time, Margie yearned for the closeness and belonging that a family of her own could bring, which led her to leave the Congregation after eight years. However, Margie remained close with several Sisters, especially her mentor and friend, Sister Roberta Marie Brown, CSJ.

Margie worked as an elementary school teacher in the Milton Public School District. She loved teaching and found it very rewarding. Eventually, Margie met her best friend and love of her life, Peter Noonan. Margie and Peter were married, and she loved and helped raise Peter's five children as her own. Margie also successfully developed and owned gas stations in Falmouth, Dennis, and Nantucket.

A few months before her passing from a short illness, Margie shared with her dearest friend, "I am filled with gratitude for the goodness of God, for Peter and for his family who became my family, for my family who became Peter's family. It may seem strange to say but I am grateful even for this illness though it is so difficult to face with wisdom and grace, as the nuns would say. It is my challenge. It is what God wants me to do. I don't know the reason except for the fact that it is an opportunity to show the world how surrounded I am by love."

Margie remained devoted to her faith throughout her life and was an active philanthropist. When she learned that her illness was terminal, she was adamant in her desire to support the retired Sisters of St. Joseph in a meaningful way, in memory of her dear friend and mentor, Sister Roberta Marie.

Margie's Legacy Gift was the catalyst for Bethany to be able to undertake a critically-needed renovation of its Lobby and Assumption Room spaces. Bethany CEO/Administrator, Sister Jacquelyn McCarthy, CSJ shared, "The next step in the transformation of

Bethany Health Care Center is the renovation of our Lobby and Assumption Room to create a modern, open-concept hospitality environment. Remodeling the current area into a warm, inviting, functional space to enjoy quiet visits will enhance comfort and happiness for both residents and guests, expanding opportunities for residents to engage in the socialization activities so critical to their health and well-being. I am so deeply touched that Margie would choose to honor her connection with the Sisters of St. Joseph of Boston in such a meaningful way."

Bethany plans to begin renovations to create the new Welcome Center later this year. In addition to Marjorie Locke Noonan's transformational Legacy Gift, her brothers and sisters have made a gift to help honor Margie's wishes to support the retired Sisters. Stay tuned for updates as the project gets underway! And visit www.bethanyhealthcare.org/donate to help support the creation of Bethany's new Welcome Center.

CARING DONORS HELP PURCHASE NEW BETHANY BUS

As a result of the kindness of over 100 sponsors and individual donors to the Bethany's Got Talent 2021 event, and a very generous gift from the Shea Family Foundation, Bethany Health Care Center has purchased a custom-made wheelchair-accessible bus!

The new Bethany bus will transport residents to medical appointments and off-campus recreational trips, substantially improving the lives of the women who call Bethany home.

Having our own bus will eliminate a significant barrier to accessing offsite treatment and medical appointments. The new bus will also create numerous opportunities for residents to enjoy recreational outings that boost their self-confidence, emotional well-being, and ultimately their quality of life.

Engaging in social and leisure activities enhances the overall health and well-being of nursing home residents. Offsite

excursions such as visits to restaurants and cultural events, coordinated shopping trips, and outings to enjoy nature all promote freedom, flexibility, and independence. As COVID restrictions continue to ease, Bethany will be able to resume offsite recreational trips. These excursions will help mitigate the feelings of loneliness and isolation exacerbated by more than two years of restrictive protocols through connecting residents with the outside world and creating opportunities for social-emotional fulfillment.

Our most heartfelt gratitude goes to every one of you who made the purchase of a new Bethany bus possible!

Small Monthly Gifts Have a BIG Impact Every Day at Bethany

Fitzpatrick Society members are a special group of committed donors who support Bethany Health Care Center every day through their monthly gifts.

Launched in the spring of 2021, the Fitzpatrick Society is named for Bethany's original benefactors, Thomas B. and Sara G. Fitzpatrick, who deeded their beautiful Framingham estate to the Sisters of St. Joseph in 1916 and donated funds to build a home for the Sisters to enjoy rest and relaxation. **More than 100 years later the extended Fitzpatrick family continues the legacy with their generosity to Bethany Health Care Center.**

Joining the Fitzpatrick Society is easy and secure! Just visit our website at www.bethanyhealthcare.org/fitzpatrick. Once you register with your EFT or credit card information, your gift will automatically be made monthly until you choose to end your membership.

- Giving monthly is a convenient way to split your annual donation into manageable gifts, helping you plan your budget.
- Your monthly support will help create a predictable funding stream so we know what resources we can anticipate throughout the year.

- You will help reduce the cost of fundraising and receive fewer mailings (better for the environment, too!).
- You will receive an Annual Giving Statement for tax purposes.
- Your gift is automatically charged to your credit card monthly and you can stop your membership at any time.
- You will feel great knowing that your small gift every month allows you to support Bethany's mission in a big way every day.

When you join Bethany's Fitzpatrick Society, you will make a tremendous difference every day in lives of the elderly residents who call Bethany Health Care Center home. Your continued generosity will allow us to provide the highest quality healthcare and to care for these women like the family that they are.
