# A LETTER FROM SISTER JACQUELYN

## *2022 marked the year your generosity enabled great efforts to come to fruition!*

After several years of dealing with the COVID pandemic, I am delighted to say that Bethany Health Care Center has returned to a welcome sense of normalcy for our residents and staff. Of course, this is a “new normal” with continued focus on health and safety protocols, but residents are reveling in the closeness of personal contact that was missing in their daily lives for so long. Through it all, **your unwavering support** has kept us going, especially over the past year. Because of you, in 2022 we made some remarkable accomplishments which will resonate with our Bethany residents for years to come.

This Gratitude Report details more than 1,000 gifts from nearly 600 donors – including individuals, foundations, and businesses – and illustrates the results of your generosity to Bethany over the past year. It is a testament to the power of collaborative efforts and a reflection of our shared commitment to the women who call Bethany home.

**The impact of your generosity** is evident as soon as you walk through Bethany’s front door. What used to be a small reception and visitor area is now an impressive Welcome Center – filled with light and life – where residents gather with family and friends. Out front, you might catch an eager group of residents boarding the new Bethany bus, ready for a local outing.

There have also been some behind-the-scenes improvements at Bethany that are making a significant impact. Residents can now safely and comfortably relax, read and dine in their rooms thanks to new motorized recliner lift chairs. Also, with the help of generous foundation support, Bethany purchased a new walk-in refrigerator and two large freezers for food preparation. Residents and staff alike appreciate the enhanced quality of daily meals thanks to our ongoing efforts to create a state-of-the-art professional kitchen – supported by an outstanding dining services crew!

This – and so much more – would never have been possible without your continued support and belief in Bethany’s mission.

**Thank you for being part of our Bethany family!**

With my heartfelt gratitude,

Sister Jacquelyn McCarthy, CSJ, RN  
CEO/Administrator, Bethany Health Care Center

## DONATIONS | *Bethany's 2022 Golf Tournament*

After a two-year hiatus, Bethany's Golf Tournament returned on May 23, 2022. Ninety-two golfers gathered at the Franklin Country Club for a beautiful day on the course, followed by a reception on the clubhouse patio. Proceeds from the tournament help Bethany Health Care Center continue to provide a warm, joyful home atmosphere where residents feel genuinely connected and cared for like family.

In addition to the participation of twenty-nine Tee/Hole Sponsors, special thanks must go to our Presenting Sponsor – DiSciullo Construction, Inc. – and Tournament Sponsor – Partners Pharmacy – for making Bethany's 2022 tournament a great success!

## SPECIAL GIFTS AND GRANTS

### The Yawkey Foundation and Charlotte E. Flatley Gift Fund

Over the years, generous grants from The Yawkey Foundation and Flatley family foundations have been transformative in providing funding to update Bethany Health Care Center's equipment, furniture, and environment for Bethany residents and staff. In 2022, their generosity extended to fund the purchase of additional motorized recliner lift chairs for residents. "Recliner chairs provide more than just comfort for our residents," noted Bethany CEO/Administrator Sister Jacquelyn McCarthy, CSJ, RN. "Their added functionality enables a resident to quickly change position, which helps maintain good skin health. They also help residents to stand from a seated position safely without assistance. The chairs are so comfortable some residents enjoy sleeping in them!"

### The Flatley Foundation

The Flatley Foundation continued its longstanding commitment to Bethany Health Care Center by granting funds for interior painting on Bethany's residential floors in 2023. "You may think that wall paint colors in a health care facility are insignificant, but for our residents, Bethany is their home and they are surrounded by these colors every day," Executive Director Jim Argir shared. "For us to be able to create a fresh, new environment with updated interior colors really gives our residents a lift and can brighten their days. Even our caregivers and staff feel it!"

### The Catholic Health Foundation of Greater Boston

The Catholic Health Foundation of Greater Boston awarded Bethany Health Care Center a grant to purchase critically-needed medical equipment that directly enhances the quality and efficiency of patient care for Bethany's elderly residents. Remarkd Maureen Dulko, RN, Bethany's Director of Nursing, "These new additions to Bethany's medical resources – a vein finder and portable suction machines – can really make a difference in improving care and comfort for our residents. For our caregivers, this is extremely valuable and potentially lifesaving equipment."

**We are deeply grateful to these foundations for their commitment to Bethany Health Care Center and steadfast support for our residents, caregivers and staff.**

## DONOR PROFILE | WHY I GIVE TO BETHANY

Growing up in Dorchester, Massachusetts, William “Bill” Murphy and his sister were taught by the Sisters of St. Joseph of Boston at St. Matthew School. Many years later, Bill became reacquainted with his first-grade teacher, Sr. Saint Rose, who introduced him to Sr. Elizabeth Brabazon (Sister Jamesetta). From there, a unique friendship between Bill and Sister Elizabeth blossomed.

Sr. Elizabeth Brabazon, a member of the Sisters of Saint Joseph of Boston for 78 years, was missioned at numerous schools in the Archdiocese of Boston and was the first missioned woman as pastoral associate at St. Helen Parish in Norwell and Our Lady of Lourdes Parish in Carver.

In her 90s, Sister Elizabeth came to reside at Bethany Health Care Center. Bill became familiar with Bethany during his visits with Sister Elizabeth, often taking her to her favorite restaurant, Ken’s Steak House in Framingham. She also enjoyed many outings on the Cape and special dinners at Anthony Pier 4 restaurant in Boston with Bill and his family.

Bill recalled a special visit with Sister Elizabeth to enjoy lunch and a shopping trip to purchase a motorized recliner chair for her. He fondly remembered that the most significant decision for her that day was whether to get a pink or blue chair! Bill appreciated that Sister Elizabeth’s care at Bethany was meeting her essential needs, but as he noted, “That pink recliner provided just a little added comfort for a very special lady.”

Although Sister Elizabeth passed away in 2008, Bill still has maintained a relationship supporting the women of Bethany through his donations. “I have been blessed with a successful residential and commercial real estate career, and I’ve felt privileged to provide a few special amenities for the Sisters over the years,” he observed. “I want to give back if only a little of what they had done for me in my formative years. These Sisters truly lived their faith and, by example, encouraged us to do the same. Bethany Health Care Center provided Sister Elizabeth with a wonderful life full of care and joy. I have supported Bethany since, as my commitment to these fine women of faith.”

# SMALL MONTHLY GIFTS HAVE A BIG IMPACT EVERY DAY AT BETHANY

**Fitzpatrick Society members are a group of committed donors who support Bethany Health Care Center every day through their recurring monthly gifts.**

Launched in the spring of 2021, the Fitzpatrick Society is named for Bethany's original benefactors—Thomas B. and Sara G. Fitzpatrick—who deeded their beautiful Framingham estate to the Sisters of St. Joseph in 1916 and donated funds to build a home for the Sisters to enjoy rest following a career of service. More than 100 years later, the Fitzpatrick legacy continues through Bethany Health Care Center.

Joining the Fitzpatrick Society is easy and secure! Just visit our website at [www.bethanyhealthcare.org/fitzpatrick](http://www.bethanyhealthcare.org/fitzpatrick). Once you register with your EFT or credit card information, your gift will automatically be made monthly until you choose to end your membership.

- Giving monthly is a convenient way to split your annual donation into manageable gifts, helping you plan your budget.
- Your monthly support will help create a predictable funding stream so we know what resources we can anticipate throughout the year.
- You will receive an Annual Giving Statement for tax purposes.
- Your gift is automatically charged to your credit card or EFT account monthly. You can stop your membership at any time.
- You will feel great knowing that your small gift every month allows you to support Bethany's mission in a big way every day!

When you join Bethany's Fitzpatrick Society, you will make a real difference every day in lives of the women who call Bethany Health Care Center home. Your continued generosity will allow us to provide the highest quality healthcare and to care for our elderly residents like family.
